**Speaker:** Blanche Lark Christerson, Esq. – Managing Director  
Deutshce Bank Private Wealth Management

**Topic:** **The 2010 Tax Act: Issues and Opportunities**

This program will discuss the legislation enacted at the end of 2010 that extended – but just for two years – the “Bush tax cuts,” regardless of income level. It will focus on the remarkable planning opportunities available this year and next, thanks to the 2010 Tax Act’s generous \$5 million transfer tax exemptions and 35% tax rate. It will also touch on some of the potential pitfalls inherent in the tax law’s continuing uncertainty.
